

Y11 REVISION AND EXAMINATION SESSIONS 2010

This is your revision and exam timetable for the weeks of all Y11 examinations. There is also an individual exam timetable with the times, room and seat number for your individual examinations. If there are clashes of any of your exams on the timetable, you will be informed of exactly when and where you will sit each examination.

Science modules are on Monday 28th June at 9am. You may or may not be entered for these modules. At present the entries for these modules DO NOT APPEAR ON YOUR EXAM TIMETABLE as they are still being arranged. New timetables will be issued by 21st May and will include the Science modules

Unless you have a timetabled examination, **you will attend normal lessons right up until 28th May.** After half-term, you will attend school only if you have an examination, revision session, or wish to use the LRC revision facilities.

In order to ensure that examinations will start as early as possible for the bulk of the examinations, we are moving lunchtime forward to 12.15 from 21st May until 11th June. Lunchtime will revert to its normal time from 14th June onwards.

On the timetable below, do the following to book in each period from 7th June onwards:

1. Highlight the periods that have your examinations.
2. Highlight the periods that have the "Strategy session" immediately before your exam.
3. Highlight any remaining periods that have revision sessions that apply to you.

This now shows your timetable of when you are required in examinations or lessons. In other sessions, the library is available for individual study.

21 st May until 11 th June		14 th June onwards	
Morning Strategy sessions	8.35am	Morning Strategy sessions	8.35am
